TO	:	**ALL PERSONNEL ENROLLED UNDER OPTIONS-AMAPHIL (HMO)**
FROM	:	**JOHN PAUL P. MAGORA** Acting President SIKAT National Board
SUBJECT	:	**SIKAT ADVISORY ON THE REMITTANCE OF HMO PAYMENT**
DATE	:	12 November 2026

In view of the intermittent status of our HMO. provided by AMAPHIL-OPTIONS, we respectfully request that the remittance of the collected monthly premiums be placed on hold. This deferment will remain in effect until these issues are resolved and the SIKAT receives concrete assurances of quality, efficient, and reliable service from HMO.

It is with deep concern that we have received reports of disapproved Letters of Authorization (LOAs) and members being unable to avail of their HMO benefits during hospitalization due to our account repeatedly lapsing into an "inactive" status.

Kindly await further notice regarding the status of our arrangements with First Gliders Options, Inc. We sincerely apologize for the inconvenience this has caused and remain committed to working closely with our provider to secure the healthcare services our members deserve.

Thank you.
